

GULFSTREAM

## GIV-SP: N74GG

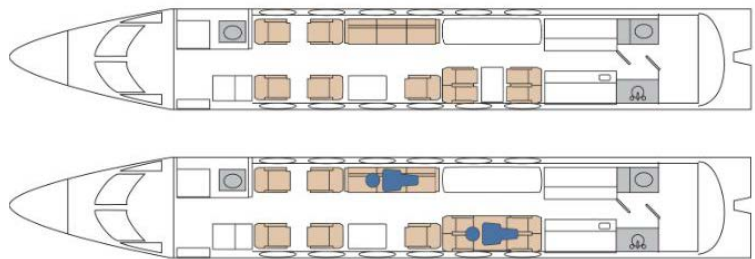

Power & Performance - Elegance & Luxury

The Gulfstream GIV-SP is an extremely versatile aircraft. Offering great performance, and additional space, this aircraft is an ideal intercontinental business jet.

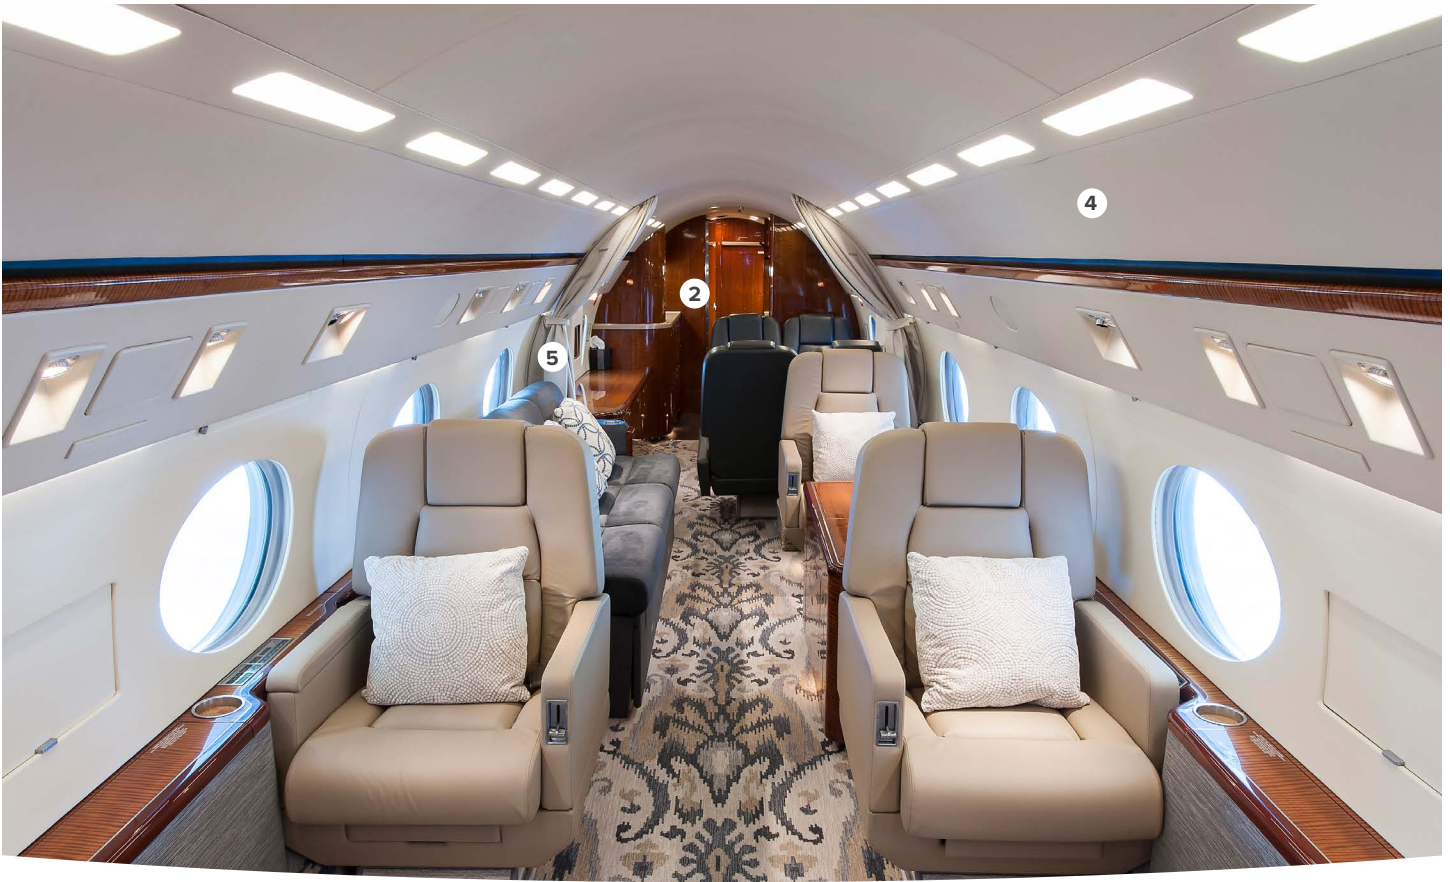

Equipped with some of the most advanced electronic systems, the Gulfstream GIV-SP builds on its predecessors reputation for reliability and strength. Incorporating technology that provides increased cockpit automation by reducing pilot workload, and offering multiple system redundancy to limit aircraft down time and promote safety of flight and wireless communication systems giving flight crews and passengers the ability to always stay in touch.

Comfort, Performance, No Compromises.
